Toll Gavel is facing significant financial challenges in the short to medium term. Our main expenditures are our utilities, repairs and maintenance and employees. Our expenditure is considerably greater than our income.

We are planning some fund-raising events to help this situation, but reductions in expenditure are under consideration by the church trustees

THANKS:

To all the musicians who have helped us with our singing

To all who donated refreshments and helped serve them

To all our church members who have made donations or collected sponsorship

To all the members of the general public who have supported us today

To our church employees

Our next fundraising event will be

A Big Drive Sale
on Saturday August 29th
